Baby ?

Girl, I really want to ? touch your body

I wanna - take you closer - to the star

But, Babygirl ? you know ? I?m not just anybody

But, I can tell ? I?m the one ? you searching for

I got girls ? I touch once ? and never touch again

Take her to my world ? She don?t ever ? want to see her man

Here, I go in my ride ? every mornin?

Pass you by ? I can feel her body ? callin?

Help me God ? I gotta keep myself ? from fallin?

Me Babygirl ? you ready for the bawlin?

Gyal, ya sittin? - that enough ?
Gyallie - turn over ?
And ya want the Gullie Love ?
Just a run over
Tell de worthless boy ?

Can?t wait for me to touch ya ? gyal?

---Mavado---

Save your lovin? for me
No give it to nobody else
Cause you know I want you
Keep it for myself
Babygirl, you got me
Hooked on you ? like drugs
What the f*ck is going on?
And I?m a f*cked up thug

---Kerian---
