

# Traitor

## Daughtry

I'm not a criminal  
I'm not the villain  
Yeah this is personal  
A drive-by killing Your guns are loaded  
And your lies are the bullets  
So here is the trigger  
Go ahead and pull it now Are you sure you wanna play this game?  
Are you sure you wanna play it? The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor  
You put a knife out in my back  
Killed any history we had and now it's war  
War You were just like the weathers  
And we had each other  
We were down for the good times  
We were live for the trouble  
Like a thief in the night  
Robbed daylight  
You stole my sanity, and now  
You are the enemy, yeah Are you sure you wanna play this game?  
Are you sure you wanna play it? The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor  
You put a knife out in my back  
Killed any history we had and now it's war  
War (Oh oh)  
I still feel sorry for you  
(Oh oh)  
Watching you drown in your denial  
(Oh oh)  
But I can't feel sorry for you  
(Oh oh)  
Watching you trying to show the traitor The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor

A traitor  
A traitor  
You put a knife out in my back  
Killed any history we had and now it's war  
And now it's war  
WarThe only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor  
You put a knife out in my back  
Killed any history we had and now it's war  
And now it's war  
War
