

# Secrets

## Van Halen

She ain't waiting 'til she gets older  
Her feet are making tracks in the winter snows  
She got a rainbow that touches her shoulder  
She be headed where the thunder rolls...Oh-oh-oh, she got that rhythm  
Got that rhythm of the road  
Oh-oh-oh, she get crazy  
Woman get crazy if she can't go  
Ah: but uh, she just looking good...She comes like the secret wind  
She's as strong as the mountains, walks tall as the trees  
She been there before, she'll never give in  
She'll be gone tomorrow like the silent breeze...Oh-oh-oh, she got rhythm  
Got that rhythm of the road  
Oh-oh-oh, she get crazy  
She get crazy if she can't go  
But-uh, she just looking good... You know how sometimes, you've got to run  
You're running blind, but she jumped the gun... Question is: not does love exist  
But when she leaves, where she goes?  
I got a feeling: she don't know either  
Wait like the wind, watch where she blows...Ow... oh-oh, got that rhythm  
That sweet rhythm of the road  
Oh-oh-oh, she get crazy  
Woman get crazy if she can't go  
Oh-oh, a looking good: Aww yes.
