

Pharao

Freedom Call

Ramses Pharao
Wise man giant in the sky
Ramses Pharao
God of Wisdom, King of Paradise You're the king and the priest
Creator of life of a nation strong and tight
Your word is the law all knowing, all wise
With mercy in your eyes Oh, the God of deliverance sends a sign
Oh, He's the God of deliverance A love that's stronger than hate
A will that's stronger than fate
Chosen to rule the land from the Nile
Born to sacrifice your life Oh, the God of deliverance sends a sign
Oh, He's the God of deliverance Ramses Pharao
Wise man giant in the sky
Ramses Pharao
God of Wisdom, King of Paradise Without you
We feel alone and sad
Without you
We feel the void inside Oh, the God of deliverance sends a sign
Oh, the God of deliverance sends a sign Ramses Pharao
Wise man giant in the sky
Ramses Pharao
God of Wisdom, King of Paradise I'm the river, the giver of life
I'm the one, your will to survive
I'm the sun, the source of the light
I'm the moon, diamond in the night I'm the air, the wind and the breeze
I'm the one, the bringer of ease
I'm the breath of eternity
I'm the hand of destiny I'm the air, the wind and the breeze
I'm the one, the bringer of ease
I lead your soul to eternity
I set your spirit free
