

# To the End

## My Chemical Romance

He calls the mansion not a house, but a tomb  
He's always choking from the stench and the fume  
The wedding party all collapsed in the room  
So send my resignation to the bride and the groom  
Let's go down! This elevator only goes up to ten  
He's not around, he's always looking at men  
Down by the pool, he doesn't have many friends as they are  
Face down and bloated snap shot with the lens  
If you marry me  
Would you bury me?  
Would you carry me to the end?  
Say, "Goodbye"  
To the vows you take  
Say, "Goodbye"  
To the life you make  
Say, "Goodbye"  
To the heart you've break  
And all the cyanide you drank  
She keeps a picture of the body she lends  
Got nasty blisters from the money she spends  
She's got a life of her own and it shows by the Benz  
She drives at 90 by the Barbies and Kens  
If you ever say, "Never too late"  
I'll forget all the diamonds you ate  
Lost in coma and covered in cake  
Increase the medication share the vows at the wake  
Kiss the bride  
If you marry me  
Would you bury me?  
Would you carry me to the end?  
Say, "Goodbye"  
To the vows you take  
Say, "Goodbye"  
To the life you make  
Say, "Goodbye"  
To the heart you've break  
And all the cyanide that you've drank  
Say, "Goodbye"  
To the last parade  
Say, "Goodbye"  
From the choice you made  
Say, "Goodbye"  
To the heart you've break  
And all the cyanide that you've drank  
Say, "Goodbye"  
Say the vows you take  
Say, "Goodbye"  
To the life you make

Say, "Goodbye"  
To the heart you've break  
And all the cyanide that you've drank Say, "Goodbye"  
To the last parade  
And walk away  
From the choice you made  
And say, "Goodnight"  
To the hearts you break  
And all the cyanide that you've drank To the last parade  
When the parties fade  
And the choice you made  
To the end
