

# Jam (Set Your Spirits Free)

[MYMP](#)

I

When I wake up in the morning the first thing I do before I eat my bacon pick up my guitar and turn the volume  
up following my dreams set your spirits freeCho:

Share we can make believe sing along and play along whenever you please

Share set your spirits freeCruisin in my car or driving in a traffic

I am listening to south border I am fanatic

When I'm in the office I turn my radio on following my dreams set your spirits free rep. choAfter dinner before

I go to sleep

I wash my face and of course brush my teeth

Turn the lights off and turn the radio on

Following my dreams and set your spirits free
