

# She's My Girl

## The Jive Five

See the pretty girl  
Walking down the street  
She's the kind of girl  
All the fellas want to meet

But she's my girl  
She belongs to me  
(She belongs to me)  
Oh, yeah

She's so good lookin'  
To and by  
Everybody knows she's  
Mine, oh, mine

Yeah she's my girl  
She belongs to me  
(She belongs to me)

She's my girl I,  
Love her so  
Yeah she's my girl  
And I'll never let her go

She's my girl  
And I want you all to know  
That I love, love, love her  
So-o-o-o-o

She's my girl  
And she'll always be  
She promised me her love  
'til eternity

Yeah she's my girl  
She belongs to me  
(She belongs to me)

She's my girl and I,  
Love her so

Yeah she's my girl  
And I'll never let her go

She's my girl  
And I want you all to know  
That I love, love, love her  
So-o-o-o-o

She's my girl  
And she'll always be  
She promised me her love  
'til eternity

Yeah she's my girl  
She belongs to me  
(She belongs to me)

Woah, c'mon baby  
Baby, baby, baby c'mon  
Come on baby, come on baby
