

Squeeze Me

Diana Krall

Treat me sweet and gentle
When you hold me tight
Just squeeze me
But please don't tease me I get sentimental
When you hold me tight
Come on and squeeze me
But please don't tease me Missing you since you went away
Singing the blues most everyday
Counting the nights and longing for you I'm in the mood to let you know
I never knew I loved you so
Please tell me that you love me too For when I get that feeling
I'm in ecstasy
Come on and squeeze me
But please don't tease me Missing you since you went away
I get the blues most everyday
Counting the nights and longing for you I'm in the mood to let you know
I never knew I loved you so
Please tell me that you love me too For when I get that feeling
I'm in ecstasy
Come on and squeeze me
But please don't tease me Come on and squeeze me
Don't never leave me
Come on and squeeze me
But please don't tease me Come on and squeeze me
But please don't tease me
