Make somebody happy
Make somebody happyMake somebody happy
Make somebody happyLove me, love me with all your heart
And I will, and I will, I will
I will, I will
I will take care of youMake somebody happy
Make somebody happy
Make somebody happy
Make somebody happyJust you, just having you by my side
I will, and I will, and I will, I will
I will, I will
I will be satisfiedMake somebody happy
