What Is Love?

Deee-Lite

What is love?
I think I know what love is.
I think I know what love is.
I think I know...I think
What is love? What is love?Mmm how do you say...
Delicious, delovely
Delectable, devine
How do you say...
Degorgeous? Dewith it?
Degroovy? Define?Ooh lala lalalalala
Faux francaise
How do you say delicious?
How do you say delovely?
How do you say delectable?
How do you say devine?
How do you say degroovy?
Dewith it?
How do you say Deee-Lite?
We've been trying to find out
Is there really such a thing?
