

In the River (feat. Seth & Nirva)

[Travis Cottrell](#)

There is a river where goodness flows
There is a fountain that drowns sorrows
There is an ocean deeper than fear
The tide is rising, rising There is a current stirring deep inside;
It's overflowing from the heart of God
The flood of heaven crashing over us
The tide is rising, rising Bursting, bursting up from the ground, we feel it now We come alive in the river we
come alive in the river
Break open prison doors; set all the captives free
Spring up a well, spring up a well, spring up a well in me
Nothing can stop this joy, we're dancing in the streets
Spring up a well, spring up a well, spring up a well in me
