

# The Game (feat. Snoop Dogg)

[Alyssa Reid](#)

Everywhere I go  
When everyone who knows me  
Knows that I would stand alone  
It's all part of the game  
The game, the game, the game When you said I could move on and go  
You said I'm weak and it shows  
I couldn't go on without you  
Now you're sitting in your house alone  
Wondering why I left home  
And I'm hoping that you know Had to fake it till I made it  
And you try to break it  
Now you try to take it back  
But you know that  
I've been doing my thing  
I've been running my game  
And you know I won't look back Everywhere I go  
When everyone who knows me  
Knows that I would stand alone  
It's all part of the game  
The game, the game, the game I'm standing on my toes  
To the sky I go  
And you know you're the one to think  
It's all part of the game  
The game, the game, the game  
We all play it the same As you looked, you saw me walking out  
You tried to knock me down  
I would go on without you  
Now you're sitting in the mess you made  
Now you're feeling my pain  
And I'm hoping that you know that I'm stronger cause you made me  
You will never faze me  
You can never take me down  
'Cause you know that  
I've been doing my thing  
I've been running my game  
And you know I won't look back  
You know that Everywhere I go  
When everyone who knows me  
Knows that I would stand alone

It's all part of the game  
The game, the game, the game I'm standing on my toes  
To the sky I go  
And you know you're the one to think  
It's all part of the game  
The game, the game, the game  
We all play it the same Everywhere I go  
When everyone who knows me  
Knows that I would stand alone  
It's all part of the game  
The game, the game, the game I'm standing on my toes  
To the sky I go  
And you know you're the one to think  
It's all part of the game  
The game, the game, the game  
We all play it the same
