

I Just Love You More

[Kate Nash](#)

I just love you more
I just love you more
I just love you more
Than anything I just love you more
I just love you more
I just love you more
Than anything I just love you more
I just love you more
Than anything I just love you more
I just love you more
I just love you more
Than anything I just love you more
I just love you more
Than anything I just love you more
I just love you more
I just love you more
Than anything Love you, I love you
I love you, I love you
More, more Love you, I love you
I love you, I love you
More, more, more Love you, I love you
I love you, I love you
More, more, more, more Love you, love you
Love you, I love just you
More, more, more
I just love you more
