

Warm

Becky Hill

(Warm)

(Warm)Never felt like this before

Got them, grey clouds hanging over me

Got caught up in the downpour

Need an umbrella to get underneathAnd maybe I don't know what's meant for me

'Cause me and you haven't spoken in several weeks

You should know that I'm gonna play for keeps

Just need to weather the stormBehind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like to feel warm

Behind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like to feel warmSwept away by this whirlwind

As the ground turns to dust

Fate turns as we meet again

And the like turns to lustBut maybe I just know what's meant for me

'Cause me and you haven't spoken in several weeks

Should know that if this was meant to be

You should let it be knownBehind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like to feel warm

Behind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like to feel warmWarm, warm

Warm, warm

Warm, warm

What's like to feel warmBehind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like to feel warm

Behind grey clouds is blue skies and sunrise, oh oh

And God knows I have tried to visualize what it's like, what it's like, ohWarm (warm), warm (warm, warm)

Warm (warm, warm), oh

What it's like to feel warm

(Warm, warm), warm

(Warm, warm), warm

(Warm, warm), oh oh

(What's it's like) to feel warm
