

# Shine (feat. Tudor)

**Fred V & Grafix**

[Verse 1: Tudor]

More than a silver lining on a cloudy day  
I'm feeling your beat in my heart as you walk my way  
Seeing you gives me the drug to make you stay  
It's all for you, it's all for you[Chorus 1: Tudor]

So shine for me

And shine for me[Chorus 2: Tudor]

So shine for me

It's all for you, it's all for you[Verse 2: Tudor]

You push me delicately out of place

I feel my heart beat out my chest

You give me energy, I'm on your case

It's all for you, it's all for you[Chorus 1][Link: Tudor]

I wanna feel alive

I wanna feel alive

I wanna feel alive

I wanna feel alive[Chorus 2][Link x2][Chorus 1+2]
