But we gonna keep it in da hood 2night, in da hood 2night Ya now 2night we gonna keep the G from my fokes
Dick is a wife beata, plus a peace in da holster
I see da feirce, so I polster the polster
They see me showin' love to young gig and sosa But it's all propa, ain't no bail hoppas
See a bunch of young gangstas so they wanna stop us
'Cuz we block hoppas, plus we cop droppas
By the day but the night we just cock roppas Tryin' to catch a dime, cat nights and fat
Let's go get they hair right like a fitted hat
I ain't 'bout to spend a dime unless I get it back
Now you monkey niggaz tell me how real iz dat? Well, even though you look good 2night
Ay, we gona keep it in da hood 2nite, in da hood 2night
And we can ride in whateva you like
But we gonna keep it in da hood 2night, in da hood 2night Being on da ice and don't forget da dice
Ay, we gonna keep it in da hood 2night, in da hood 2night
Whateva we doin' we doin' it right
But we gonna keep it in da hood 2night, in da hood 2night We gonna roll down peace street to get a room
Off Araf David Avanat, in all da suite
Hit the liquor store on white hall, get sumthin' to eat
At the A crof and Chevron and hot wing 10 peice Go to OG get sumthin' to cheat
A post up and lease a house, a holla to free
All the kids in da hood steady of followin' me
Luv to see me come around and get dollas from me Red dogs still rollin' threw twice in a week

'Til my folk got crack, 5 dollas a peice
And everbody got gats, can't afford da streets
We Boyz N Da Hood so we startin' them G's
So get dem guns ready Well, even though you look good 2night
Ay, we gona keep it in da hood 2nite, in da hood 2night
And we can ride in whateva you like
But we gonna keep it in da hood 2night, in da hood 2night Being on da ice and don't forget da dice
Ay, we gonna keep it in da hood 2night, in da hood 2night
Whateva we doin' we doin' it right
But we gonna keep it in da hood 2night, in da hood 2night West Side well, me is wit da rest of da real
And da best dat it iz, out here

Ya'll already know what it iz out here Erbody fresh, erbody clean

To come holla at a playa
'Cuz I'ma nail her first
And afta dat I'ma send you to da club
Head back to da trap and sell slaps on da curb Well, even though you look good 2night
Ay, we gona keep it in da hood 2nite, in da hood 2night
And we can ride in whateva you like
But we gonna keep it in da hood 2night, in da hood 2night Being on da ice and don't forget da dice

Whateva we doin' we doin' it right
But we gonna keep it in da hood 2night, in da hood 2night
