Is My Living In Vain

Xscape

Is my living in vain? Is my giving in vain?
Is my singing in vain? Is my praying in vain?No, of course not, it's not all in vain
Because up the road is eternal gainAm I wasting my time? Can the clock be rewind?
Have I let my light shine? Have I made 99?No, of course not, no, of course not
No, of course not, no, of course not
It's not all in vain
Because up the road is eternal gainNo, of course not, no, of course not
No, of course not, no, of course not
It's not all in vain
Because up the road is eternal gain
