

You Are The One (Seven Day Jesus Album Version)

Seven Day Jesus

[Verse 1]

And I, can't seem to understand, the reason why I'm hurting

Was this part of your plan and is it going to end.

I've been running for so long and the sky is getting darker

Looking for a place where I can stand until it...

Grasses greener on the other side, where I don't belong.

Sometimes it's lonely but I'll stand until I see your face again.[Chorus:]

You are the one who brings the rain that falls to wash away my pain, and

In that darkness I can see, a light of hope alive in me.[Verse 2:]

And I believe you when you say your eye is on the sparrow

I know you're watching me, I know you set me free

From all the fear that used to hold me down, a better way I've found.

It's time to heal a time to grow into the child you used to know[Chorus 2x]

[Bridge:]

And I don't know where we're going but I don't care about that,

Because I feel your hand in mine
