

Gravity

[Sonos](#)

Something always brings me back to you.

It never takes too long.

No matter what I say or do I'll still feel you here 'til the moment I'm gone. You hold me without touch.

You keep me without chains.

I never wanted anything so much than to drown in your love and not feel your rain.[Chorus]

Set me free, leave me be. I don't want to fall another moment into your gravity.

Here I am and I stand so tall, just the way I'm supposed to be.

But you're on to me and all over me. You loved me 'cause I'm fragile.

When I thought that I was strong.

But you touch me for a little while and all my fragile strength is gone.[Chorus] I live here on my knees as I try to make you see that you're everything I think I need here on the ground.

But you're neither friend nor foe though I can't seem to let you go.

The one thing that I still know is that you're keeping me down.
