

So Good

Boyzone

We're gonna be so good
Like only we could
Come on and hear me now
Gonna be so good
Like I knew we should I've heard it before, oh yeah
And you're telling me, no and I'm crazy
We're talking too fast
We've just got to take it nice and slow
Sit back, let it flow now Don't be misunderstood
When, baby then
Maybe that you know We're gonna be so good
Like I knew we would
Like only we could
Come on and hear me now Gonna be so good
'Cos it's understood
Like I knew we should
So good now, baby We're gonna be so good
Don't you know that
We're good, we're good? No matter the cost, oh yeah
When we're out on the town, I get lazy
I'll show you who's boss
We're just gonna take it all away
No matter what they say now Don't be misunderstood
When, baby then
Maybe that you know We're gonna be so good
Like I knew we would
Like only we could
Come on and hear me now Gonna be so good
'Cos it's understood
Like I knew we should
So good now, baby Be so good
Be so good now
Be so good Don't be misunderstood
When, baby then
Maybe that you know We're gonna be so good
Like I knew we would
Like only we could
Come on and hear me now Gonna be so good
'Cos it's understood

Like I knew we should We're gonna be so good
Like I knew we would
You know we're good
