

# Oceans Away

## Roger Daltrey

(P. Goodhand-Tait)

Bersand Enterprises Inc. ASCAPDon't wake me up

If I should be dreaming

I don't want to miss one minute of this dream.Don't worry now

Cause your not dreaming

I'll love you always where ever you'll be.Oceans away

Go where you may

And love will be with you

Oceans away

And love will be with you

Oceans awayThe night is cold

But day is certain

No twilight zone can last very long

Darkness my friend I'll hide in your curtain

If your not here with me please let me dream on.Oceans away

Go where you may

But love will be with you

Oceans away

Love will be with you

Oceans awayOceans away

Go where you may

But love will be with you

Oceans away

Love will be with you

Oceans away
