

Make Me Believe

The March Ahead

YO

and this value use of another one survival of the fittest has begun, well you make me feel alive, will you wait till
the bitter end? Will our hearts always collide? Will you take control will you take control? TAKE CONTROL
TAKE CONTROL

Make me believe, cause I've never felt free before, make me believe, brought me to my feet brought me to my
feet

Pull me into your heart, TAKE ME ON YOUR WINGS TAKE ME ON YOUR WINGS, spare me your
judgement, SPARE ME YOU'RE FREE TO SAVE

Make me believe, cause I've never felt free before, make me believe, brought me to my feet brought me to my
feet, Make me believe, CAUSE I'VE NEVER FELT FREE BEFORE, make me believe, BROUGHT ME TO
MY FEET BROUGHT ME TO MY FEET
