In my mind  
In my mind  
It was, oh, so fineHappy now  
Happy gone  
I am often wrongPut me on  
Scissor me  
Then you leave me beCut me out  
Knead me too  
You can paint me blueYou can always play with  
You can always play with  
You can always play withAlways one  
Once again  
I'll be your best friendPaper doll  
Paper doll  
Paper dollYou can always play with  
You can always play with  
You can always play with me
