It's Love

Lena Horne

It's love, it's love
Well, who would have thought it?
If this is love then why have I fought it?What a way to feel I could touch the sky
What a way to feel I have found my guyIt's love at last I've someone to cheer for
It's love at last I've learned what we're here for
I've heard it said, "You'll know it when you see it"
Well is see it's, I know it's, its loveIt's love, it's love
Well, who would have thought it?
If this is love then why have I fought it?What a way to feel I could touch the sky
What a way to feel I have found my guyIt's love at last, I've someone to cheer for
It's love at last, I've learned what we're here for
I've heard it said, "You'll know it when you see it"
Well I see it's, I know it's, I feel it's, it's love
