

Lords of the Boards

Guano Apes

I've got the snowboard under my feet

I can fly so high, I can fall so deep

But who do I see coming up the track?

A little green man with the snowboard on his back
He said, And now I'm flying like an angel to the sun
My feet are burning and I grab into another world
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, go mad like a clown
I can stay behind him if I can

I wanna be a little more than an 'Also-ran'

Through every curve, he's got me beat

And maybe it's time that I accept defeat
And now I'm flying like an angel to the sun
My feet are burning and I grab into another world
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, go mad like a clown
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, go mad like a clown
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, go mad like a clown
With the lord of the boards, you'll come and get around

With the lord of the boards, you'll come and get around

With the lord of the boards, go mad like a clown
