

# Lost In Love

Dionne Bromfield

How you doing sweet heart? Hey ah you know these last few months we've been togetha have been so right and  
I'm just so happy for what we share I've been wondering how do you feel?

(Main Chorus)

I wanna get lost in love with you (oh yeh) and do all the things you want me to caress your body touch you so  
'cause boy I love you so (and I love you to baby)

(Repeat)

The love we share is something so especial estar contigo is all I want to do every night ever since el primer dia  
the first day I knew it'd last forever if I had it my way so the days go on no ago otra cosa but dream about the  
moment our hearts will come close holding tu mano and your face tan bonita never met another young lady  
senorita.

And that is why I gotta say that your the best a million and one ways just to express mi amor I know that we will  
be togetha so sing to me baby and sing foreva.

(2nd Chorus)

I want to be with you always togetha foreva till our ending days hold me baby don't let go making love like  
never before

(Repeat)

Making love in the night time walks and romance I'm telling you hermosa my heart is in a trance they say that  
true love is so hard to find I thank the man up above for making you mine.

Talking on the telephone sending you kisses a dozen of roses just to say that I'm missing the warmth of your  
body right next to mine eres tu la mejor like a toast of Fine Wine.

Out to the movies maybe sharing some Ice Cream si estoy dormido don't wake me from my dream todo lo que  
quiero all I need is your affection my life was fine but you brought perfection.

Now we sit here just holding hands whispers in my ear tell me that I'll be your man today manana in a paradise  
for two I feel the same way 'cause I'm so inlove with you

(3rd Chorus)

I love the way you make me feel my love for you is so real embrace my body touch me softly love me till the  
morning

(Repeat)

You Know that love we share is just something so special the tenderness I just don't know what to say girl  
would you sing to me 1 more time do it like this come on.

(Main Chorus)

I wanna get lost inlove with you and do all the things you want me to caress your body touch you softly 'cause  
boy I love you so.

I wanna be with you always togetha foreva till our ending days hold me baby don't let go making love like neva  
before.
