

# My Mother

Kitty Wells

Hard to remember,  
Summer or winter,  
When she hasn't been there for me...  
A friend and companion,  
I can always depend on,  
My mother, that's who I need...  
Taken for granted,  
She said she planned it,  
She's always behind everything...  
A teacher, a seeker,  
I'd go far to reach her,  
My mother, that's who I need...  
Wish I could slow down

The hands of time...  
Keep things the way  
They are...  
If she said so,  
I would give her the world if I could,  
I would...  
My love and my laughter,  
From here ever after,  
Is all that she says that she needs...  
A friend and companion,  
I could always depend on,  
My mother, that's who I need...  
My mother, that's who I need...  
That's who I need.
