

Money (Death Before Taxes Mix)

KMFDM

One for the money,
two for the show,
three to get ready,
now go kids go
I went to school six years, but I never graduated,
Like so many others,
All over the nation,
'cause my parents were poor,
Now I'm undereducated
'cause the government's
Saving up all the education common white trash,
I am thirty, male,
With my pockets full of cash,
Standing in line,
It was payday today,
And I'm gonna spend money,
On a bottle of booze, My future's all set,
To bring home for my honey
I'm a part of the gang,
I make money on the street,
I sell drugs to the kids,
Anytime I can,
'cause that's what pays
I make a couple a hundred,
