

House Key

Scott Helman

It's late,
I don't want to go back home,
Cos it's cold,
And you don't want to sleep alone
You look,
Like you need a hand to hold
If I go,
We'll just end up on the phone,
And I know,
That we are,
And that we've never done this before,
But it's real obvious we'd be good.
I want a back splash and a house cat,
I want to make a home for you,
I want a TV and a Settee,
I want to live alone with you,
And when you wake up in the middle of night,
I won't complain if you turn on the light,
Beside me, you'd be happy, you see,
Can I get your house key?
Can I get your house key? When I, loose a bit of all your things,
And break, dishes that you left in the sink,
You'll trip, over on my cheap guitars,
When I'm making food so we don't starve,
And I know, that we're young,
And we've never done this before,
But it's real obvious we'd be good.
I want a back splash and a house cat,
I want to make a home for you,
I want a TV and a Settee,
I want to live alone with you,
And when you wake up in the middle of night,
I won't complain if you turn on the light,
Beside me, you'd be happy, you see,
Can I get your house key?
Can I get your house key? If it's okay with you,
It's okay,
If it's okay with you,
It's okay,

If it's okay with you,
It's okay,
If it's okay with you,
It's okay, I want a back splash and a house cat,
I want to make a home for you,
I want a TV and a Settee,
I want to live alone with you,
And when you wake up in the middle of night,
I won't complain if you turn on the light,
Beside me, you'd be happy, you see,
Can I get your house key?
Can I get your house key?
