Gamemaster (Signum remix)

Lost Tribe

Embracing the goddess' energy within yourselves,
Will bring all of you to a new understanding and value of life.
A vision that inspires you to live and love on Planet Earth.
Like a priceless jewel,
Buried in dark layers of soil and stone.
Earth radiates her brilliant beauty,
Into the caverns of space and time.
Perhaps you are aware of those who watch over your home,
And experience it as a place to visit and play with reality.
You are becoming aware of yourself as a gamemaster.Imagine Earth restored to her regal beauty.
Stately trees seem to brush the deep blue sky.
Clouds billow to form majestic peaks.
The songs of birds fill the air,
Creating symphony upon symphony.
The goddess is calling for and honoring
Of what she allows to be created
From the core-mystery of the blood.
Those who own her planet are learning about love.
