

Stay With Me

Akcent

Stay with me
I remember a prison of all memories
And I'm drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down I was so crazy
All the time I made you cry.
You walked away and never said goodbye
On and on, on and on
I guess I lost you Now you are gone. I tried to hide the pain,
But all I see is you
How can I do it ?!
I don't have a clue.
On and on, on and on
I guess I lost now you are gone I remember a prison of all memories
And I'm drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down I remember a voice
That was calling my name
And I know that someday
You will feel the same
Stay with me stay with me
Baby when the lights go down I was so crazy
All the time I made you cry.
You walked away and never said goodbye
On and on, on and on
I guess I lost you Now you are gone. I tried to hide the pain,
But all I see is you
How can I do it ?!
I don't have a clue.
On and on, on and on
I guess I lost now you are gone I remember a prison of all memories
And I'm drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down I remember a voice
That was calling my name
And I know that someday

You will feel the same
Stay with me stay with me
Baby when the lights go down I remember a prison of all memories
And I'm drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down I remember a voice
That was calling my name
And I know that someday
You will feel the same
Stay with me stay with me
Baby when the lights go down.
