Ending Song

Ninja Scroll

Sunny day, no one's here
In the morning rain, there's no clouds
And I hear, "Follow me, follow me
Follow me, follow me"Sunny day, no one's here
In the morning rain, there's no clouds
And I hear, "Follow me, follow me
Follow me, follow me"
And I hear, "Follow me, follow me"Follow me, follow me
Follow me, follow meFollow me, follow me
Follow me, follow meFollow me, follow me
Follow me, follow me
