

Don't Go Down to Reno

Tony Christie

In Reno town for a few dollars down
You can buy yourself a separation

And say good-bye to the love and the life that we shared together
Sign it away with a stroke of a hotel pen
All of the dreams that we had will be gone forever
I can't believe we're through
I won't give up on you

How can I stand aside
And watch a good love die?
Don't go down to Reno
Stay another night

One night and you may find
I'll make you change your mind
Don't go down to Reno
Stay a little bit longer

Try to remember the day when the bells were chimin'
Picture the clothes that I wore and I know you'll smile
Think of the nights when we knew that our star was climbin'
I can't throw that away
I've got to make you stay

How can I stand aside
And watch a good love die?
Don't go down to Reno
Stay another night

One night and you may find
I'll make you change your mind
Don't go down to Reno
Stay a little bit longer

Don't go down to Reno
Stay another night

Don't go down to Reno

Stay a little bit longer
