

# Better Than This

## Ameritrash

I said, "Don't go"  
I said, "Don't leave"  
But you wasted all my time  
Pretending you were mine  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
So I said, "Screw it, eh, eh"  
I said, "Hold on"  
You said, "Something's wrong"  
And you wasted all your lies  
I thought we were fine  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
And it's been a while  
I'm still on fire, I'm not tiring  
You're just a liar  
I'm just a buyer of your badness  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
It's a let down, heartbreak  
Fast breath, slow ache  
It ain't gettin' no better than this  
It ain't getting better, better than this  
It ain't getting better, better than this

It ain't getting better, better than this  
It ain't getting better, better than this  
Better, better than this
