

# Let the Jukebox Keep On Playing

[Mike Ness](#)

Oh, let the jukebox keep on playing  
Let that record roll around  
Let my baby keep on sayin'  
She's the lonesome gal in town Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playin'  
Till I'm holding you Let those honky tonkin' angels  
Be the girl I never loved,  
Let her know it's you I'm cravin'  
And it's you I'm thinkin' of Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playin'  
Till I'm holding you Oh, let the jukebox keep on playing  
Let that record spin around  
Let my baby keep on sayin'  
She's the lonesome gal in town Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playing  
Till I'm holding you
