

# Glory and Honor

**Troy Sneed**

Glory and honor, dominion and power  
All such praises, be unto Your name  
(repeat)

You are worthy, worthy, worthy  
worthy of all praise  
(repeat)

God of mercy, great redeemer  
In Your presence, we will daily reign

Yielding praises, adoration, bless forever  
to Your matchless name

You are worthy, worthy, worthy  
worthy of all praise  
(repeat)
