## Young Fathers

Mission to Nasa to break free  
Free from disaster is your plea  
Time and time again is the story  
Celebrating in disguise before I leave Fill the cup  
Fill it up  
Full the cup oh  
Fill the cup  
Fill it up  
Full the cup oh Little Jimmy Thought He Found a Lady  
Beautiful and naked was the start of  
Soak a broken heart in kerosine  
So my dear, don't dare to leave Fill the cup  
Fill it up  
Full the cup oh  
Fill the cup  
Fill it up  
Full the cup oh Pass the parcel, pretty preacher  
Skin of an Alligator  
Rigor mortis on his conscience  
No need for respirators  
China white crystal features  
You have more than sex appeal  
Reveal the cost of righteous living  
Television something new Fill the cup  
Fill it up  
Full the cup oh  
Fill the cup  
Fill it up  
Full the cup oh
