

# Virgo's Maze

## Part Time

Sharon was a creature of mine  
She likes to walk with the boys at night  
She's so fit  
Yeah!

With the hottest legs AROUUND  
I nearly felt her when I looked at them  
All the boys want her  
Tripping up a cold nights dream  
That look in her EEEYES  
well you don't have to be so cruel  
Girl just tell me what you wanna say  
Don't leave me hanging around  
Virgos MAAAZE  
Well I'm lost

Sharon was the type of girl  
Who doesn't know when it's getting worse  
She tips-toes through the forest in the sky  
She's got (?)

I try to follow her haze  
I got this feeling that I'm gonna be stuck in her life

You don't have to be so cruel  
Girl just tell me what you wanna say  
Please don't leave me hanging around  
Virgos MAAAZE

Well you don't have to be so cruel  
Girl you don't even have to stay  
Please don't leave me hanging around  
Virgos MAAAZE

Virgos MAAAZE

Yeah I'm lost

Well you don't have to be so cruel  
Please just tell me what you wanna say  
Please don't leave me hanging around

Virgos MAAAZE

Well you don't have to be so cruel  
Oh you don't even have to stay  
Please don't leave me hanging around

Virgos MAAAZE

Virgos MAAAZE

Yeah I'm lost  
Virgos MAAAZE  
Virgos MAAAZE  
Yeah I'm lost
