Meet My Maker

Manmade God

This is where I'll meet my maker tonightSo this is it
This is my life
This is my time
It's ending tonightI made my mistakes
I've tried to live right
Stepped out of the darkness
Into the lightAnd when I'm gone
Will they remember?
Will they mourn?
Will they move on?When my sad songs
The lonely son
His time has come
His life is doneAnd tonight
We'll celebrate the end
Of this life
And we'll sing
Yeah, yeah, yeah, yeahWhoa
It's alright, this is a night like we began
With open arms
This is the way, the way I'll meet my maker tonightAnd on my grave, what will it say?
Here lies another soul that was saved
So please don't cry, just sleep at night
And I will wait on the other sideAnd tonight
We'll celebrate the end
Of this life
And we'll sing
Yeah, yeah, yeah, yeahWhoa
It's alright, this is a night like we began
With open arms
This is the way, the way I'll meet my maker tonightAnd tonight
We'll celebrate the end
Of this life
And we'll sing
Yeah, yeah, yeah, yeahWhoa
It's alright, this is a night like we began
With open arms
This is the way, the way I'll meet my maker tonightWhoa, whoa
Whoa, whoa
Whoa, whoa

Whoa, whoa
Whoa, whoa
Whoa, whoa
