

# You Say I'm Scum

**D.R.I.**

I want to play my music  
As loud as i please  
I want to grow my hair  
Down to my knees  
I won't get a job  
And be punching your clock  
Won't be another number  
In you lay off slot You say I'm scum [8] I want a house with a white picket fence  
Don't look at me like i make no sence  
He says I'm dumb  
She says I'm scum You say I'm scum [6] You flew right by me  
In your Porsche today  
Hand me my skateboard  
And I'll make my way  
Who are you to tell me  
I'm not right  
You had your nose to the mirror  
All last night You say I'm scum [4]
