

You Win Again

Bee Gees

I couldn't figure why
You couldn't give me what everybody needs
I shouldn't let you kick me when I'm down
My baby
I find out everybody know
That you've been using me
I'm surprised you
Let me stay around you
One day I'm gonna lift the cover
And look inside your heart
We gotta level before we go
And tear this love apart There's no fight you can't fight
This battle of love with me
You win again
So little time
We do nothing but compete
There's no life on earth
No other could see me through
You win again
Some never try
But if anybody can, we can
And I'll be, I'll be
Following you Oh girl, oh girl, oh baby I shake you from now on
I'm gonna break down your defenses
One by one
I'm gonna hit you from all sides
Lay your fortress open wide
Nobody stops this body from taking you You better beware, I swear
I'm gonna be there one day when you fall
I could never let you cast aside
The greatest love of all There's no fight you can't fight
This battle of love with me
You win again
So little time
We do nothing but compete
There's no life on earth
No other could see me through
You win again
Some never try

But if anybody can, we can
And I'll be, I'll be, I'll be, I'll be
Following you Oh girl
You win again
So little time
We do nothing but compete
There's no life on earth
No other could see me through
You win again
Some never try
But if anybody can, we can
And I'll be, I'll be, I'll be, I'll be
Following you
You win again
So little time
We do nothing but compete
There's no life on earth
No other could see me through
You win again
Some never try
But if anybody can, we can There's no fight you can't fight
This battle of love with me
You win again
So little time
We do nothing but compete
There's no life on earth
No other could see me through
You win again
Some never try
But if anybody can, we can
There's no fight you can't fight
This battle of love with me
You win again
So little time
