New Letters

Company of Thieves

I fell in love when you were brushing your teeth,
Over my kitchen sink.I have no means for distraction,
No fuel that feeds the reaction.
I just came all this way, just to say.
I really do believe,
This was much more than meant to be.I fell under when you were waiting for me.
Over lines fall from time,
What do they mean?I have no means for distraction,
No fuel that feeds the reaction.
I just came all this way,
Just to say.
I really do believe,
This was much more than meant to be.
I really do believe in you,
I really do believe in me.I won't give up,
I can't give in,
Can't get enough,
Where to begin?
I won't give up on you,
I can't give in,
Can't get enough of this,
Where to begin?I won't give up,
I can't give in,
Can't get enough,
Where to begin?
I won't give up on you,
I can't give in,
Can't get enough of this,
Where to begin?
Oh, where to begin?Let's all get together and start a cure.
Let's all get together and start a over.
Over,
Let's all get together and start a cure.
Let's all get together and start a over.
Over.
Over.
Over.
Over.
