

This Christmas

Mary J. Blige

Hang all the mistletoe
I'm gonna get to know you better this Christmas
And as we trim the tree
How much fun it's gonna be together this Christmas
The fireside is blazing bright
We're caroling through the night
And this Christmas will be
A very special Christmas for me
Presents and cards are here
My world is filled with cheer and you this Christmas
And as I look around
Your eyes outshine the town, they do this Christmas
The fireside is blazing bright
We're caroling through the night
And this Christmas will be
A very special Christmas for me
Shake a hand, shake a hand now
Merry Christmas all over the land
Oh it's Christmas time
It's Christmas time
Ooh, the fireside is blazing bright
We're caroling through the night
And this Christmas will be
A very special Christmas for me
Oh, shake a hand, shake a hand, yeah yeah yeah
Merry Christmas all over the land
Have a merry merry Christmas yeah
And a happy new year
I hope that it's full of cheer
Hope you get everything you want for Christmas
Hope your family is all together
Hope everyone is safe and sound
Merry Christmas everybody
