

Washington Square Park

The Get Up Kids

It's better than nothing, it's better than you can get
What more could you want, what more could you ask for?
Living day by day is more than I can say about my life, my life
Living in denial, wipe that stupid smile away Through that ring again, through that sick machine
Doesn't make you any stronger than you
Anything you choose, it's not abuse, many people live through
It's better nothing, it's better than you can get Living day by day is more than I can say about my life, my life
Living in denial, wipe that stupid smile away
