Critical Mass Lyrics (TEENAGE FANCLUB)TEENAGE FANCLUB - Critical Mass Lyrics

When I touched your skin  
I felt your heart beating deep within.  
And I was sure  
Everything was ?You're in my heart  
But it's the feeling that all fell apart.

Think of me; but don't believe that I was wrong. When I switched off my feeling is when I lost control.

Couldn't say what I was needing -  
Something I didn't know.I woke up in bed  
A cold sweat running down my head.  
And I remembered something you had said:  
(You Said) "Don't dream too long, "cause when you wake up  
everybody's gone."

Find someone else to sing another song. When I switched off my feelings is when I lost control

Couldn't say what I was needing -  
Something I didn't know  
When I switched off my feeling is when I lost control  
Couldn't say what I was needing -  
Something I didn't know
