Wrecking Ball

Matthew Schuler

We clawed, we chained our hearts in vain
We jumped never asking why
We kissed, I fell under your spell.
A love no one could denyDon't you ever say I just walked away
I will always want you
And I can't live a lie, running for my life
I will always want youI came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me
Yeah, you, you wreck meI put you high up in the sky
And now, you're not coming down
It slowly turned, you let me burn
And now, we're ashes on the groundDon't you ever say I just walked away
I will always want you
I can't live a lie, running for my life
I will always want youI came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck meI came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crashing in a blazing fall
All you ever did was wreck me
Yeah, you, you wreck meI never meant to start a war
I just wanted you to let me in
And instead of using force
I guess I should've let you win
And I never meant to start a war
And I just wanted you to let me in
And I guess I should've let you winI came in like a wrecking ball
All I wanted was to break your walls
All you ever did was wreck,wreck meI came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crashing in a blazing fall
All you ever did was wreck me
Yeah, you, you wreck me
You, you, you wreck me
