Call Me Up (And I'll Come Calling On You)

[Marty Robbins](#)

When you're all alone and blue
And you don't know what to do
Call me up and I'll come calling on youWhen you're all alone at home
And no one calls you on the phone
Call me up and I'll come calling on youWhen there's teardrops big and round
In your eyes so big and brown
And your little old heart is about to break in twoWell, I know, you know, we know
That they know I'm in love with you
Call me up and I'll come calling on you
