

Till The End Of The Day

Big Star

Baby I feel good
From the moment I arise
Feel good from morning
Till the end of the day You and me
We live a life
From when we get up
Till we go through the night You and me, we're free, yeah
We do as we please, yeah
From morning, till the end of the day
Till the end of the day Yeah, I get up
I see the sun
And I feel good, yeah
'Cause my life has begun You and me, we're free, yeah
We do as we please, yeah
From morning, till the end of the day
Till the end of the day, oh yeah You and me, we're free, yeah
We do as we please, yeah
From morning, till the end of the day
Till the end of the day, till the end of the day
Till the end of the day, hey now
