

Gold Dust

Galantis

You're like gold dust
It rains over me
A foreign sun that I thought I'd never see
You're like gold dust Oh don't change ever, no don't change
There's a hollow in this house whenever you go You're like gold dust
It rains over me
A foreign sun now I thought I'd never see
You're like gold dust Keep coming down the street
There's a hollow in this house whenever you go Keep coming down the street
There's a hollow in this house whenever you go Keep coming down the street
There's a hollow in this house whenever you go You're like gold dust
