The Rivalry

Running Wild

Since all time began the holy council guards the light
They saw dawn of man, made by gods to serve their pride
Their slave, he fell from grace, he became the renegade
But evilness took place, cause a darkened force lurked in the shadeSilent wings of black, shadowed all the good at heart
The snake on the attack, shot to bite right off dark
The poison in their vein, freezed their soul, their heart, their mind
So they praised the evil's name, the beast to serve, the world to grindTime of all eternity, can never change the final destiny
The purified that stood the fight, will be saved to see the world of lightThe rivalry, since eternity, the final fight the blackened world to free
Lost in hate, determined fate, all evil's damned to walk the fiery gateThe time is right at hand, to see the truth behind the lie
Decade of evils end, the poisoned heart is doomed to die
The chosen one is here, they're in a deadly fix
He is the one they fear, cause he is up to all their tricksTime of all eternity, can never change the final destiny
The purified that stood the fight, will be saved to see the world of lightThe rivalry, since eternity, the final fight the blackened world to free
Lost in hate, determined fate, all evil's damned to walk the fiery gate
